COPYRIGHT PERMISSION AND RELEASE FORM

Environmental Systems Research Institute, Inc. (Esri), is interested in receiving permission to use your supplied materials including drawings, illustrations, composites, photographs, slides, negatives, transparencies, video, film, videotape, film footage, voice electronic recordings, maps, graphics, screen shots, or other printed and/or digital artwork, text, data, quotes, newspaper articles, press releases, music, and other materials supplied ("Material(s)") and written description(s) for commercial or educational purposes.

Description of Material(s):

Base map of the Czech Republic 1:10 000

The base map of the Czech Republic at scale 1 : 10 000 (ZM 10) is the basic state map series and is the most detailed base map of medium scale. It shows the entire territory of the Czech Republic in a seamless map layout. It is used by local municipalities and commercial and noncommercial organizations too.

The ZM 10 contains topography, altimetry and labeling. Topography contains settlements and individual objects, communication networks, hydrology, administrative and cadastral boundaries (including territorial technical units), boundaries of protected areas, height and topographic control points, vegetation and soil surface.

Altimetry shows terrain relief as contour lines and terrain steps. Map labeling consists of object type designation, standardized toponymy of objects, standardized geographic nomenclature, contour values, height values, border information and external information. Map sheets contain network of orthogonal and geographic coordinates. The level of generalization+
